November 9, 2001

Dear Friend of The McDowell Hospital Auxiliary,

On behalf of the members of The McDowell Hospital Auxiliary, I extend a sincere thank you for your generous contribution to our 2001 Auxiliary Bazaar. The Auxiliary and Volunteers appreciate your continued support and interest.

The funds generated at the annual Bazaar enable us to make financial donations to The Hospital, to provide scholarships for students pursuing Health Care Careers, and to provide "good health" educational experiences for grade school children. During the 2000-2001 year, we were able to contribute \$28,000 for these objectives.

Cordially,

Nancy Greenlee

With Appreciation

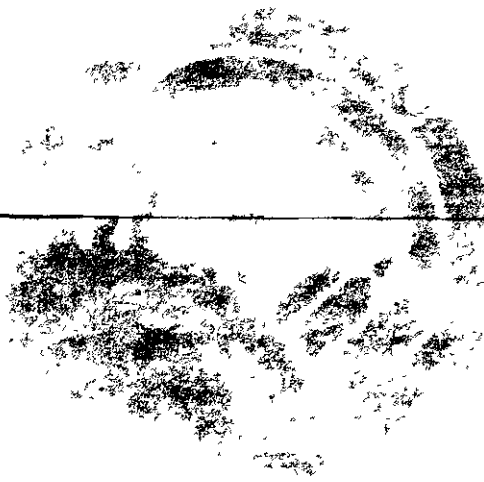

Annette,

Thanks for WBRM's participation in our gift packets for newly-hired teachers in the McDowell School System. The glass mugs were the showpiece in the packets.

Because educators are VIPs in any community, we're grateful when chamber members like you are willing to help show a hospitable welcome as these new folks begin their important work in McDowell County.

Best Regards,

Rod

Dear Annette,

Thank you so much for loaning us your voice for our United Way video. We especially appreciate how rapidly you were able to produce the tape. Michael Lavender and I viewed the video this morning and were very pleased with the way it turned out. We feel your voice added a special touch. Please look for it on the local Cable Channels

Thanks again for all you do for our community.

Dear Anneth,

Thank you so much for helping our family get the word out about our family reunion. We had a very large crowd in spite of the heat & many reported hearing the announcement on WBRM. This is a wonderful service you so truly give to the community and I want you to know how much our family appreciated the radio announcement.

Valari Dobson Staab
President and General Manager
WTVD
411 Liberty St.
Durham, NC 27701

Dear Valari:

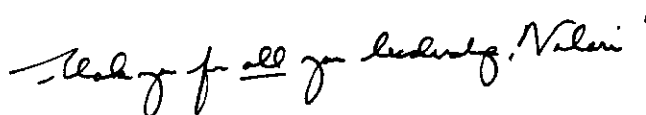

It certainly was a sincere pleasure meeting you last week at your impressive offices/studios at WTVD Channel 11 here in downtown Durham. Let me thank you as well for making the time for me despite your obviously hectic schedule – you were very nice to do that.

I also wanted to express our Chamber's sincere appreciation to you for the terrific leadership which has been provided by your executive, Bruce Briney, as we prepare to produce our public service announcements that will tout Durham as a great place to live and work. Bruce has been a terrific professional leader in this joint effort. I just wanted to say thank you for his superior volunteer leadership

I also wanted to thank you for allowing me some of your valuable time to describe our Chamber's economic development program, as well as to congratulate you on the leadership role you are playing with the Food Bank of North Carolina Capital Campaign with our publicity committee, as well as all the work you are doing at St. Joseph's Foundation, and the Durham United Way. I have had the good fortune to be involved in all these organizations in some form or fashion, and from your leadership post as the president and general manager of WTVD, you can provide essential support for these most worthy causes that help so many people in this great community of Durham.

I also realize and appreciate that your market is comprised of a 25-30 county region, so please forgive me if I appear parochial (I am!) in marketing and promoting our singular jurisdiction, but I do indeed assure you we are cognizant of the regional nature of our economy. Accordingly, I hope you will let me know whenever and however our Chamber of Commerce can be of support to you in your important duties and responsibilities at the helm of WTVD Channel 11

Sincerely,

Dear Ms. Barnes,

Thank you for your part in making this year's **A Shopping SPREE!** an outstanding success. Although we are still tying up loose ends and paying our bills, the League is confident that we will meet our net income goal for the event of \$225,000. At a time when fundraising has been a challenge locally for many, we feel very blessed to have had such a successful event and we thank you for your assistance in that effort. You will receive a separate acknowledgment of your gift for tax purposes by the end of January, 2003.

If you attended **SPREE's** Community Day on Saturday, October 26th, you saw the agencies these funds support, including The Natural Learning Initiative, Heritage Park Community Learning Center, Helping Horse, Bargain Box, **SAFEchild** and more. On behalf of these organizations and our own, we appreciate your continued support as we seek to reach out to at-risk youth through our initiative, *"promising youth – changing lives through the power of education."*

It is these collective efforts that will effect meaningful change. Your contribution to The Junior League holds great meaning to us and to those in our community. We appreciate your support and involvement.

Dear Mr. Pfaznica,

The excellent community service reputation of WTVD is well deserved and once again proven by WTVD's Christmas food drive in the State of North Carolina. We in the Fayetteville area wish to specifically express our deepest appreciation. Through WTVD efforts, we received a humbling food donation of over 19,000 pounds of food. This donation is an example of people's goodness that is there but needs the right media and effort to bring it out. A rainbow is always available on a sunny day, but it is not until someone makes an effort to spray water into the sun that it can be seen on command. WTVD was the catalysis to bring out the goodness that already exist in our Fayetteville community and your efforts truly made a difference for Fayetteville Urban Ministry and the people we serve. With the food donations and through the efforts of 104 volunteers working 273 hours, we were able to make 875 plus food bags for those who are in most need in our community.

It is unfortunate that we have such a large number of people who are in need of help in our local community, but it is an unfortunate matter made more bearable by helping hands like WTVD who take an interest in the welfare of the communities they serve and to give back a portion of the revenue it earns by our patronage. If more for-profit organizations like WTVD would give back to their clientele this would be a more joyful and blessed world throughout the year.

We sincerely thank you for your leadership role in filling our community need, especially during these financially trying times.

Sincerely,

Dear Ms. Barnes,

On behalf of the Durham Earth Day Committee, I'd like to thank you for your *Green Star* sponsorship of the 2003 Durham Earth Day Festival. Despite a rainy start, over 2,000 people from all over the Triangle came to the historic DAP to enjoy a fun and educational day. As you know, the festival is planned by a group of hardworking volunteers and is solely made possible from in-kind and monetary donations – the day would not have been a success without your generous support.

The Durham Earth Day Festival has become a local tradition and will continue to grow with the support of area businesses. We are very pleased with the success of this year's festival and know that it can only get stronger in the years to come. ABC 11 has been a loyal supporter of the event for two years and for that we are very grateful. Next year, we'll be celebrating our 5th anniversary, and I hope you will continue to support us. Thank you again!

Dear Greg:

On behalf of the March of Dimes, please accept our sincere thanks for the untiring efforts of your employees in helping us with our community fund raising and our educational messages. Through our educational messages about the B vitamin, folic acid, Western North Carolina has seen an 83% decrease in the neural tube birth defects of the brain and spine. We believe over 100 babies were born in North Carolina without those birth defects – because women of child bearing age have gotten the message you helped publicize.

Your station has helped raise the money to fund the research and programs that will help our babies get a healthier start in life. On behalf of those babies, let me say thank you for your tremendous energy, your commitment and your unfailing generosity.

We have enclosed some statistics that show you the work that still needs to be done in North Carolina. Let's do it together.

Thank you again.

Dear Greg:

On behalf of the Castle of Cans Committee, I would like to thank you and your radio stations for the part you played in promoting Hickory's Oktoberfest service project. Without doubt, your frequent radio spots about the project spread the word and helped to make this our most successful year.

As you know, we ask members of the community to bring canned food to the annual Oktoberfest celebration in Hickory. Several soup kitchens and food pantries in Catawba County benefit from these donations-The Hickory Soup Kitchen, The Cooperative Christian Ministries, The Corner Table of Newton, The Women's Resource Center, and The Family Care Center. All of these agencies are experiencing great demand for food as unemployment is high and contributions are down.

The castle is constructed from the cans during the Oktoberfest weekend and serves as a visual symbol of the community's concern with feeding the hungry.

Middle school students in the area are asked to donate food and compete for a pizza party for the academic team that brings in the most cans per student. We appreciate the airtime you gave on Friday morning of Oktoberfest weekend to interview the lead teacher of the winning team and me. It is important for the community to know how hard these students worked, and that the four participating middle schools brought in over 5,800 cans. The total number of cans provided by schools was over 7,250.

I also want to thank you for contacting Chick Fil-A and arranging for coupons to be given for donations at the event and for the high school students involved to be rewarded.

I have had several people tell me that they heard about the Castle of Cans on the radio. Obviously, this is an effective way to inform the community of the project and the need for help.

On a personal note, I would like to thank you for the support and interest you showed throughout the entire project. I appreciate your being there on Saturday to give out coupons.

I was able to be at the site on Sunday as the agencies arrived and loaded their trucks with food. Their appreciation was genuine, and I was very proud of the effort that Catawba County made in collecting over 8,000 cans of food. Thank you again for your part in making this happen.

Sincerely,

Dear Mr. David Hart,

This year we, as a team, worked very hard to return to Chapel Hill and bring home another state title, even though many considered it an impossible feat. Despite the loss of key players from last year's state championship team and our "underdog" status, we received so much support and recognition. We would like to thank all of our fans for cheering us through some heart-stopping, very hard-fought, unbelievable victories. Their presence in the gym truly had an effect on our performance down the stretch. We would also like to express our gratitude and appreciation to you, and WNCA 1570 AM for all the coverage and recognition throughout the year. This season has been a wonderful experience, and even though it may have come and gone, it is a season we shall never forget. Once again, thanks so much for going above and beyond to magnify the meaning of such a special season!

To Whom It May Concern:

I would like to take this opportunity to tell you what a fine job WNCA Radio (Station 1570 AM) does for the Town of Siler City, North Carolina, the community and surrounding area. Barry Hayes, General Manager, makes many public announcements for the Town so that citizens may receive information as soon as possible.

I understand that WNCA's broadcasting license is coming up for renewal very soon. As Mayor of Siler City I would ask that their license be renewed as this type of media is important for the Town of Siler City to quickly disperse necessary information to the community.

Dear Friend of Chatham County children,

Thank you for your willingness to serve on the "Committee of 100" to support quality public schools. The goal of this effort is to expand the informed citizen base and provide information and expert resources needed to bring about advocacy and improvement of our schools. You are among a select group of Chatham County leaders, and will make a significant contribution to our education community. Through increased awareness and open discussion of challenging educational issues, you will become an informed advocate for school improvement.

You may expect to meet soon after the New Year. Our plan was to begin our series of five meetings a year in the fall, but, as you may know, our director, Phillip Cates, resigned to take a position with the N.C. Public School Forum. We are pleased to announce that we have hired a new executive director, who will begin early in the New Year. We anticipate being able to move forward in the near future.

We appreciate your patience and continued support as we work together in this "public engagement" initiative.

ATLANTIC COAST CONFERENCE

OFFICE OF THE COMMISSIONER

Ms. Karen Cates
MIX 101.5, WRAL-FM
711 Hillsborough Street
Raleigh, NC 27603

Dear Karen:

On behalf of the Atlantic Coast Conference, I would like to write and thank you and MIX 101.5 for your tremendous support of the ACC Women's Soccer Championships.

As you know the Atlantic Coast Conference has a rich history and tradition in the sport of women's soccer. Our women's programs have won 11 of the last 16 NCAA national championships courtesy of the University of North Carolina. In addition, our conference wages tremendous head to head battles each and every year.

This will be the inaugural year for ACC Women's Soccer at SAS Soccer Park and we here at the ACC office are looking forward to some exciting and competitive matches to showcase what ACC women's soccer is all about. And with the help of MIX 101.5 we will be able to provide an electric atmosphere and tremendous exposure for our student-athletes.

Your creativeness and hard work at MIX 101.5 are going to allow the ACC Women's Soccer Championships, and specifically the quarterfinal rounds, to be promoted and marketed throughout the triangle area and beyond. We fully expect your efforts to bring an excitement to this year's championship that is second to none.

I simply want to thank you for your commitment of time and resources to help the ACC make this the most successful and well attended women's soccer championship to date. I hope to see you out at SAS Soccer Park in November. Thanks again, and best wishes.

Sincerely,

For information on furthering your involvement with other events or in office tasks, please do not hesitate to contact the chapter at 919-431-8330. With a staff of three, we are always in need of volunteers!

Our results speak to our success. Over 5,000 participants attended Walk Day and raised an incredible \$525,000! Each person from the walkers, to the day of volunteers, play an instrumental part in helping us to achieve this success and to this we are extremely grateful. Whether you helped set up Friday night, manned the food tent or route, helped with breakdown, you helped to produce one of the largest and most successful walks in our area!

With your help we are continuing to move towards a cure for diabetes. JDRF gives over 85 cents of every dollar raised directly to research and has successfully moved clinical trials to the patient's bedsides. We are so close to a cure, and this is why we have to continue our momentum. Thank you for your commitment to our mission of curing diabetes and its complications through the support of research.

Sincerely,

Farrah Brown
JDRF Executive Director

Sheri has left for the day.

We received the AMBER ALERT from the NC Center for Missing Persons and started airing the alert just after 9 this morning. Thanks for for alertness and for your promptness in getting information to us. Hopefully, through concerned citizens such as yourself, law enforcement officers will be able to safely secure the return of the child and apprehend the abductor.

As soon as the alert ran on WRAL-FM I sent out the following to all state employees of the Employment security Commission throughout the state. Please keep us informed of the situation.

An AMBER ALERT has just been issued from Mecklenburg County. A tall black male suspect with a mustache and wearing a blue shirt car-jacked a green 1997 Honda Accord in the Charlotte area this morning (8/27). The car has temporary tags and may be headed toward the Triangle area. A 2 month old child (named Ashley Bernice Reesa...spelling may be wrong) was in the back seat of the vehicle. Please pass this info along to everyone in you know and if there is any sighting or info, please call 911 immediately.

Eleasha...Thanks for the email...Doing the radiothon is very emotionally draining on all of us...But....we wouldn't have it any other way...It's tough to do, but nothing compared to what families there go through...We're proud to do whatever we can...Bill

Sherri And Bill,
Just want to let you know that I think your Operation Comfort was the greatest. As the Mom of a Marine (who is still stateside) I wanted to do more but felt my hands were tied as you can't correspond as easily as you could with the Gulf War. This was a great chance to participate! Hope you keep up the great work!
